Management Discussion & Analysis of Financial Conditions, Results of Operations and State of Company Affairs

General Performance and Outlook

The financial year 2022-23 trade data showed an annual fall in exports of textiles. The export of readymade garments fell to \$13.05 bn, compared to \$14.73 bn the previous year. The yarn shipments declined to \$4.23 bn from \$4.47 bn. The IMF expected India to grow by 5.9% in FY23-24 despite geopolitical crises, supply chain reorientations, global inflation.

Global growth was projected to decline in 2023 with World Bank even predicting a global recession in 2023.

Outlook 2024-25

The IMF predicts global growth rate in 2024 and 2025 will hold steady at 3.2%. The Indian economy is predicted to grow by 6.6 percent in fiscal 2025.

Exports shall continue to see slack on account of geopolitical challenges like the Red Sea crises will continue to disrupt global value chain. The surge in the shipping cost, by about (40-60 percent) and insurance (15-20 percent), also have impact on reduced exports. Major industries which are low margin and high volume, that includes Textiles shall be affected.

However, India's economy looks steady and on an upward trend. Projections indicate that India will be the world's third largest economy by 2027, surpassing US\$5 trillion in GDP.

The India Home Textile Market size is estimated at USD 9.60 billion in 2024, and is expected to reach USD 15.36 billion by 2029, growing at a CAGR of 9.84% during the forecast period (2024-2029)

Technical Textiles is another sector that is receiving a huge push from Govt. of India. National Technical Textile Mission (NTTM) that was launched in 2020 with the objective of increasing penetration level of technical textiles for 5-10% as compared to 30-70% in the developed market. With a "India 2047- Vision and strategic roadmap for technical textiles" the Govt. of India has expressed its ambitious plans and programmes to develop India as one of the leading hubs of Technical Textiles globally and set up a robust manufacturing base in India.

Mills Division-

The cotton prices have almost stayed at values of 62K₹64k/Candy at the beginning of the fiscal year 24 before dropping to 54K/candy at the end of June-23. The cotton prices further saw a rollercoaster ride with prices surging to 62K/candy in Sept-23 and stabilising at 58K/candy during the new cotton season in October-23. The stability was short lived with prices dropping to 54K/Candy before surging to 63K/Candy in end of February-24. The prices dropped to 59K/Candy in late March-24 before surging to 63K/Candy level at the end of the fiscal 24.

The uncertainty in cotton prices had an impact on the spinning industry as purchase orders were withheld by the end users. Uncertainty in cotton prices coupled with various macro economics factors has an effect on the Textile value chain. Many spinning industry were forced to operate at partial utilisation or closed.

The company also had to operate under reduced utilisation for the year thus undertaking jobs at higher cost. The uncertainty in the market was to an extent that some of the job-work at our facility was withdrawn.

However, the company is developing new products in woven and knit garments of fibres other than cotton. Products such as school uniforms, shirts, trousers and shorts are being manufactured. New and unique products are being considered to be launched under brand CAMPBELL which is registered.

Knitwear Unit-

Garment unit within the premises at Gokak Falls is manufacturing various products of Bamboo and cotton fibers i.e. towels, shawls, blankets, bedsheet etc. Both Knit and woven products are sold over e-commerce platform of the company i.e. <https://gokaktrends.com/>

Advertisements over social websites to promote new products are also undertaken. Conventional sale of products to increase the presence of the brand is also under progress.

Solar Unit-

The Solar unit has an installed capacity of 40MW within the premises. The unit has generated about 85.99MUs for this fiscal against budgeted 85.89MUs with a capacity utilisation factor (CUF) of 24.62%. The plant availability was also greater than 95% for the year. Most of the production is sold to other customers within the state of Karnataka. The unit has power purchase agreements with seven clients drawing power under various Discoms across the state. The unit is also registered under the Verified Carbon Standard (VCS) mechanism.

During the year under review the Solar unit has recorded gross income of ₹ 4163.11 Lakhs.

Status of the Scheme of Arrangement

The Board of Directors at their meeting held on November 12, 2021 had, inter alia, approved the Scheme of Arrangement ("Scheme") under section 230 to 232 and other applicable provisions of the Companies Act, 2013 and the rules and regulations made thereunder.

The Scheme inter alia provides for Reduction of share capital and re-organization of reserves of Gokak Textiles Limited and Amalgamation (by way of absorption) of Suryoday One Energy Private Limited with and into Gokak Textiles Limited.

Upon the Scheme becoming effective, will enable the Transferee Company, i.e. Gokak Textiles Limited to consolidate the ownership of the power business and also provide reliable source of power for its textile division.

The Company had received the observation letter from BSE Limited regarding the Scheme in the month of February 2022 after that the Scheme application was filed before the Hon'ble NCLT, Bengaluru Bench. The matter was listed before the Hon'ble NCLT, Bengaluru Bench. The Hon'ble NCLT, Bengaluru Bench passed the order to convene the meeting of Equity Shareholders of the Company. The meeting of Equity Shareholders of the Company was held on December 26, 2022 and the Shareholders / Members gave approval to the Scheme of Arrangement.

The Scheme Petition was filed with Hon'ble NCLT, Bengaluru Bench and the order approving the Scheme was passed by the Hon'ble NCLT, Bengaluru Bench on April 24, 2024.

The Appointed date is April 01, 2022. Effective date of the Scheme is May 24, 2024.

The Scheme as approved by the Board and Members is available on the website of the Company at www.gokaktextiles.com

**STANDALONE AND CONSOLIDATED
FINANCIAL STATEMENTS FORMING PART OF
ANNUAL REPORT OF
GOKAK TEXTILES LIMITED
FOR THE YEAR ENDED MARCH 31, 2024**

INDEPENDENT AUDITORS' REPORT

To the Members of Gokak Textiles Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Gokak Textiles Limited** ("the Company") which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS"), as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the loss and the total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 51 of the standalone financial statements which describes the Composite Scheme of Arrangement ('the Scheme') for reduction of share capital and re-organisation of reserves of the Company and amalgamation by absorption of Suryoday One Energy Private Limited with the Company, which has been approved by National Company Law Tribunal – Bengaluru Bench on April 24, 2024 with Appointed Date of April 01, 2022. The said Scheme became effective from May 24, 2024. Accordingly, the standalone financial statements have been prepared after taking into consideration the effect of the provisions of the Scheme with effect from the Appointed Date and consequently, the corresponding figures have also been restated. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that in our professional judgement were of most significance in our audit of the standalone financial statements of the current period. Those matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

a) Accounting for the Composite Scheme of Arrangement

Description of Key Audit Matter:

The Hon'ble National Company Law Tribunal ('NCLT'), in its order dated April 24, 2024 ('the Order') approved the Composite Scheme of Arrangement for reduction of share capital and re-organisation of reserves of the Company and amalgamation (by way of absorption) of Suroyoday One Energy Private Limited ('SOEPL' or 'transferor company') into the Company ('the Scheme').

Pursuant to the Order, the Appointed Date of the Scheme was fixed at April 01, 2022 and the Scheme has become effective from May 24, 2024 i.e. the last date on which the certified copy of the Order was filed with the Registrar of the Companies by the both amalgamating companies.

The amalgamation has been accounted by applying the principles as set out in Appendix C of IND AS 103 "Business

Combinations” and in accordance with the Ministry of Corporate Affairs (MCA) circular dated August 21, 2019, the Company has considered the Appointed Date (i.e. April 01, 2022) as the date of amalgamation. Accordingly, the Company has prepared its standalone financial statements for the year ended March 31, 2024 after giving effect to the aforesaid Scheme.

Refer Note 51 of the standalone financial statements for detailed accounting treatment and related disclosures.

How the matter was addressed in our audit:

- We pursued the approved Scheme for appropriateness of the determination of the effective date, appointed date and accounting treatment as prescribed in the Scheme.
- We understood the process and controls and their effectiveness for accounting of the Scheme in respect of the capital reduction and amalgamation.
- We traced the balances used for the capital reduction and amalgamation from the respective books of accounts of the companies.
- We reviewed the treatment for alignment in respect of difference in accounting policies for certain items of financial statements and elimination of inter-company balances of the amalgamating companies.
- We assessed the adequacy and appropriateness of the disclosures relating the capital reduction and amalgamation made in the standalone financial statements.

b) Going Concern Assessment

Description of Key Audit Matter:

During the year, the Company incurred losses of ₹ 1,756.70 lakhs for the year ended March 31, 2024 and has accumulated losses of ₹ 18,345.49 lakhs as on March 31, 2024. Further the Company’s current liabilities exceeded its current assets by ₹ 5,384.40 lakhs as at March 31, 2024. These conditions indicate requirement of assessment of the Company’s ability to continue as a going concern.

The Company’s financial statements have been prepared on a going concern basis on the reporting date, based on the reasons stated in Note 48 of the standalone financial statements.

How the matter was addressed in our audit:

- We evaluated the appropriateness of management’s use of going concern basis of accounting in the preparation of standalone financial statements in accordance with Standard on Auditing issued by ICAI in this regard.
- We evaluated the management’s plans for future actions in relation to its going concern assessment, to assess whether the outcome of those plans is likely to improve the situation and whether management’s plans are feasible in the circumstances.
- We considered the expected effect of the capital reduction and amalgamation of the solar power business into the Company.
- We assessed the possible mitigating actions identified by management in the event that actual cash flows are below forecast.
- We discussed and obtained a written letter from the holding company indicating its intention and ability to support the Company’s financial and operating requirements through infusion of additional capital as and when necessary.

c) Impairment testing of investment in equity shares of subsidiary

Description of Key Audit Matter:

The Company has investment of ₹ 2,499.00 lakhs in the equity shares of Gokak Power & Energy Limited (‘GPEL’) which represents 51% of its equity capital. GPEL is engaged in the business of generation and distribution of hydro power and significant portion of power generated by GPEL is used by the Company for its textile factory.

Investments in subsidiaries are valued at cost adjusted for impairment losses, if any. In line with “Ind AS 36 Impairment of assets”, in the presence of an impairment indicator, the Company carries out an impairment test by comparing the recoverable amount of the investments, determined according to the value in use method and their carrying amount.

GPEL has accumulated losses of ₹ 3,344.60 lakhs as on March 31, 2024 which indicates that the investment in GPEL could be impaired and requires impairment testing.

The valuation process adopted by management is complex and is based on a series of assumptions, such as the forecast cash flows, the appropriate discounting rate (WACC) and the long-term growth rate. These assumptions are, by nature,

influenced by future expectations regarding the evolution of external market conditions. Based on the impairment test carried out by the management, it was concluded that impairment is not necessary.

How the matter was addressed in our audit:

We analysed the methods and assumptions applied by management to carry out the impairment test through following procedures:

- identification and understanding of the significant controls implemented by the Company over the impairment testing process;
- analysis of the reasonableness of the principal assumptions made to estimate their cash flows by obtaining information from management that we deemed to be significant;
- We also examined the adequacy of the information provided by the Company about the impairment test and its consistency with the requirements of Ind AS 36;
- analysis of actual data of the year and previous years in comparison with the original plan, in order to assess the nature of variances and the reliability of the planning process;
- assessment of the reasonableness of the discount rate (WACC) and the long-term growth rate;
- verification that the carrying amount of the investment was determined properly and comparison with the value in use resulting from the impairment test.

Information other than the financial statements and auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis and Board's Report including Annexures to Board's Report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout

the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Company as on March 31, 2024 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the auditor's report in accordance with the requirements of section 197(16), as amended:

In our opinion and to the best of our knowledge and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. (Refer Note 44 of the standalone financial statements)

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, other than those disclosed in the financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on audit procedures performed, nothing has come to our attention that causes us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided in (a) and (b) above, contain any material misstatement.

v. The Company has not declared or paid any dividend during the year.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure - A to the Independent Auditors' Report

(Referred to under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Gokak Textiles Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) As informed to us, the Company has a program for physical verification of fixed assets by which all fixed assets are verified in a phased manner over a period of three years. In our opinion the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program certain fixed assets have been verified by the Management and we were informed that no material discrepancies were noticed on such verification.
- (c) With respect to immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the standalone financial statements included in property, plant and equipment, capital work-in progress and Investment property, according to the information and explanations given to us and based on the examination of the registered sale deed / title deed provided to us, we report that, the title deeds of such immovable properties are held in the name of the Company as at the balance sheet date, except for the following:

Description of the property:	Land [parts measuring 29.35 Acres*]
Gross cost and carrying amount As at March 31, 2024	₹ 11.35 lakhs
Held in the name of:	Gokak Patel Volkart Limited
Whether promoter, director or their relative or employee:	No
Period held since:	1992
Reason for not being in the name of the Company:	The title deeds were held in the name of erstwhile Gokak Patel Volkart Limited which amalgamated into Forbes Gokak Limited and subsequently, was demerged into Gokak Textiles Limited. During the year, titles of land parts measuring 38.51 acres were registered in the name of the Company. However, in the case of the balance area of 29.35 acres as disclosed, the Company is still in the process of transferring the title in the name of Company which are under litigation due to certain disputed legal matters.

- (d) The Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year. Accordingly, paragraph 3(i)(d) of the Order is not applicable.
- (e) According to the information and explanations given to us, no proceedings have been initiated, or were pending, during the year against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory during the year. In our opinion, with regards to the nature and size of its inventories, the frequency is reasonable and the coverage and procedure of such physical verification carried out during the year were appropriate. Discrepancies noted during such physical verification were less than 10% of respective inventory classes. All discrepancies noted during the year were properly dealt with in the books of account.
- (b) During the year, the Company did not have any sanctioned working capital limits in excess of five crore rupees, in aggregate, from any bank or financial institution on the basis of security of its current assets. Accordingly, paragraph 3(ii)(b) of the Order is not applicable.

- (iii) During the year, the Company has not made any investments or provided any advance in the nature of loans or stood guarantee or provided any security to any other entity during the year. The Company has provided loan (by way of novation) to its subsidiary in respect of which:
- (a) (A) Aggregate amount of loan granted to the subsidiary (by way of novation) during the year was ₹ 6,427.30 lakhs and balance outstanding in respect of such loan as on balance sheet date was ₹ 5,990.57 lakhs (including interest accrued).
- (B) The Company has not granted any loans to parties other than the said subsidiary during the year.
- (b) In our opinion and according to the information and explanations given to us, the terms and conditions of the loan granted to the subsidiary (by way of novation) is not, prima-facie, prejudicial to the Company's interest.
- (c) According to the information and explanations given to us, the loan granted to the subsidiary (by way of novation), is demand loan and no schedule of repayment of principal and payment of interest has been stipulated. According to the information and explanations given to us, the repayments has been received as and when demanded by the Company during the year.
- (d) According to the information and explanations given to us, the loan granted to the subsidiary (by way of novation), is demand loan and no amount was overdue in respect of the loans outstanding during the year.
- (e) According to the information and explanations given to us and on the basis of our audit procedures, no loans had been renewed or extended or fresh loans granted to settle the dues of existing loans given to same parties.
- (f) In our opinion and according to the information and explanations given to us, during the year, the Company had granted loan aggregating to ₹ 6,427.30 lakhs to its subsidiary (by way of novation) which is repayable on demand, being 100% of the total such loans granted during the year.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to the loans given (by way of novation) to its subsidiary. The Company has not made any investment, given any guarantee or security covered under Section 185 and 186 of the Act.
- (v) According to information and explanations given to us, the Company has not accepted any deposits from the public in accordance with the provisions of section 73 to 76 or any relevant provisions of the Act and rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Companies Act, 2013, we are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.

- (x) (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, paragraph 3(ix)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partly or optionally) during the year.
- (xi) (a) According to the information and explanations given to us, no fraud by the Company or any fraud on the Company has been noticed or reported during the year.
- (b) According to the information and explanations given to us and to the best of our knowledge no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and up to the date of this Report.
- (c) As represented to us by the management, no whistle blower complaints were received by the Company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a 'nidhi' company and it has not accepted any deposits. Accordingly, paragraph 3(xii)(a), paragraph 3(xii)(b) and paragraph 3(xii)(c) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on the audit procedures performed by us, the Company is in compliance with sections 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till the date of this Report, for the period under audit.

- (xv) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, provisions of section 192 of the Act and paragraph 3(xv) of the Order is not applicable.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, paragraph 3(xvi)(a) of the Order is not applicable.

Annexure - B to the Auditors' Report

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of the Company of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the Internal Financial Controls with reference to the standalone financial statements of **Gokak Textiles Limited** ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to the standalone financial statements and such internal financial controls with reference to the standalone financial statements were operating effectively as at March 31 2024, based on the criteria for internal control with reference to the standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining Internal Financial Controls based on the criteria for Internal Control with reference to the standalone financial statements established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls with reference to the standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an Audit of Internal Financial Controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain Reasonable Assurance about whether adequate Internal Financial Controls with reference to the standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system with reference to the standalone financial statements and their operating effectiveness. Our audit of Internal Financial Controls with reference to the standalone financial statements included obtaining an understanding of Internal Financial Controls with reference to the standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone financial statements.

Meaning of Internal Financial Controls with reference to the standalone financial statements

A company's Internal Financial Control with reference to the standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of Financial Reporting and the preparation of the financial statements for external purposes in accordance with generally accepted Accounting Principles. A company's Internal Financial Control with reference to the standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or

timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to the financial statements

Because of the inherent limitations of internal financial controls with reference to the standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the standalone financial statements to future periods are subject to the risk that the internal financial control with reference to the standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....**1 Corporate Information**

The Company was incorporated under the erstwhile Companies Act, 1956 under the name of ANS Textiles (Bangalore) Limited on March 27, 2006. The name was changed to Gokak Textiles Limited, with effect from January 23, 2007. As per the scheme of arrangement under the Companies Act, 1956, the Textile Division of erstwhile Forbes Gokak Limited (now known as Forbes & Company Limited) was transferred to Gokak Textiles Limited with effect from April 1, 2007. Suryoday One Energy Private Limited has merged into Gokak Textiles Limited with effect from April 01, 2022 based on the order of National Company Law Tribunal (NCLT) dated April 24, 2024. Consequently, the Company is, now, in the business of textile, manufacturing cotton yarn, blended yarn, industrial fabrics, terry towels, t-shirts, polos, undergarments, etc. and generation of solar power.

2 Significant Accounting Policies**(a) Statement of Compliance :**

These separate financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and on accrual basis.

The separate financial statements are presented in addition to the consolidated financial statements presented by the Company.

(b) Basis of Preparation and presentation :

- i. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products/ activities of the Company and the normal time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current .
- ii. The financial statements have been prepared on a historical cost basis, except for the following:
 - (a) Certain financial assets and liabilities that are measured at fair value;
 - (b) Non-current assets held for sale - measured as lower of carrying value or fair value less cost to sale;
 - (c) Defined benefit plans - plan assets measured at fair value.
- iii. All amounts disclosed in the financial statements and notes have been shown in lakh as per the requirement of Schedule III to the Companies Act, 2013, unless otherwise stated.

(c) Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/ materialise.

Assumptions and estimations of uncertainties

Information about assumptions and estimations of uncertainties that have a significant risk of resulting in a material adjustment is included in the following notes:

- Note 18 - recognition of deferred tax assets
- Note 32 - measurement of defined benefit obligations: key actuarial assumptions;
- Note 2(d) - useful life of property, plant and equipment;
- Note 2(h) - Financial Instruments.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....

(d) Property, plant and equipment:

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Freehold land is carried at cost and not depreciated. The cost comprises purchase price (excluding refundable taxes), borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Depreciation on property, plant and equipment has been provided on straight line method as per the useful life prescribed in Schedule II to the Companies Act 2013. Cost of leasehold land is amortised over the period of lease.

Sr. No.	Particulars	Useful Life In years
1	Factory Building and Structures	3 to 60 years
2	Residential Buildings	30 to 60 years
3	Plant & Machinery	10 to 32 years
4	Furniture & Fixtures	10 years
5	Office Equipment	3 to 15 years
6	Motor Vehicles	8 to 10 years

Estimated useful life of Plant & Machinery pertaining to solar power division is considered to be 32 years. Depreciation on such plant & Machinery is charged at the rate of 5.28% for the first 13 years and 1.78% for remaining years (As per CERC Regulation, 2017)

(e) Intangible Assets:

Intangible assets are stated at cost less accumulated amortisation and impairment, if any. Intangible assets are amortized over the estimated useful life of respective intangible assets on a straight line basis, from the date they are available for use.

The useful lives of intangible assets are assessed as either finite or indefinite. Finite-life intangible assets are amortised on a straight-line basis over the period of their expected useful lives. Estimated useful lives by major class of finite-life intangible assets are as follows:

Computer Software - 6 Years

(f) Investment property :

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with cost model as per Ind AS 16.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss in the period in which the property is derecognised.

(g) Investments in Subsidiary :

Investments in subsidiary are recognised at cost as per Ind AS 27.

(h) Financial instruments :

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are recognised at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....**Financial assets :**

The Company classifies its financial assets in the following categories:

- (i) those to be measured subsequently at fair value (either through other comprehensive income or through the statement of profit and loss), and
- (ii) those measured at amortised cost

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

Equity instruments: The Company measures its equity instruments (other than in subsidiaries) at fair value through profit and loss.

Impairment of financial assets:

The Company measures the expected credit loss associated with its assets based on historical trends, industrial practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Financial liabilities and equity :**Classification as debt or equity**

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at fair value through profit or loss (FVTPL).

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Equity

An equity is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

(i) Inventories :

Inventories are valued at lower of cost and net realisable value. Cost is determined as follows:

Sr. No	Particulars	Method of determining cost
1	Stores, Spares and Loose Tools	Weighted average for Mills unit and FIFO basis for Garment Division.
2	Raw Materials:	
	(i) Cotton and Other Fibers	Specific identification for Mills unit and FIFO basis for Garment Division.
	(ii) Others	Weighted average
3	Stock-in-Process	Aggregate of material cost and production overheads and other attributable expenses up to stage of completion.
4	Finished Goods	Aggregate of material cost and production overheads.

Provision is made for the cost of obsolescence and other anticipated losses, wherever considered necessary.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....

(j) Borrowing Cost :

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised for the period until the asset is ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(k) Revenue Recognition :

Textile Division:

Revenue comprises revenue from contracts with customers for sale of goods. Revenue is recognised at an amount that reflects the consideration to which the Company expects to be entitled in exchange for transferring the goods or services to a customer i.e. on transfer of control of the goods or service to the customer. Revenue from sales of goods or rendering of services is net of indirect taxes, returns and discounts.

Accumulated experience is used to estimate the provision for such discounts and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur. Our customers have the contractual right to return goods only when authorised by the Company. An estimate is made of goods that will be returned and a liability is recognised for this amount using a best estimate based on accumulated experience.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations. Interest income is recognised using the effective interest rate (EIR) method.

Solar Power Division:

Revenue from Generation, Transmission and Distribution of power is recognised net of cash discounts, for each unit of electricity delivered at the contracted rate. Revenue from renewable energy certificates is recognised on actual basis.

Sale is recognized when the power is delivered by the Company at the delivery point in conformity with the parameters and technical limits and fulfilment of other conditions specified in the Power Purchase Agreement. Sale of power is accounted for as per tariff specified in the Power Purchase Agreement. The sale of power is accounted for net of all local taxes and duties as may be leviable on sale of electricity for all electricity made available and sold to customers.

(l) Manufacturing and Operating Expenses :

Manufacturing expenses and operating expenses are charged to revenue on accrual basis.

(m) Foreign Exchange Transactions :

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees.

Foreign currency transactions are recorded at the exchange rate prevailing at the date of transaction. Monetary assets and liabilities related to foreign currency transactions remaining unsettled are translated at the year-end rate and difference in translation and realised gains and losses on foreign exchange transactions are recognised in the statement of profit and loss.

(n) Provisions and Contingent Liability :

A provision is recognised when enterprise has present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligations, in respect of which a reliable estimate can be made. Provisions are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation can not be measured in terms of future outflow of resources or where a reliable estimate of the obligation can not be made.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....**(o) Grants :**

Grants from the Government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

(p) Accounting for Taxes on Income :

Tax expense for the year comprises of current tax and deferred tax. Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with Indian Income Tax Act.

Deferred Tax Assets and Liabilities are measured using tax rates and tax laws that have been enacted / substantively enacted as on the balance sheet date. Deferred tax assets and liabilities are determined for all temporary timing difference arising between the taxable income and accounting income. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Deferred Tax Assets/Liabilities are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

Current and deferred tax is recognised in the statement of profit and loss, except to the extent that it related to the items recognised in other comprehensive income or directly in equity.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

(q) Earnings per Share :

The Company reports basic and diluted earnings per equity share in accordance with Ind AS 33, on Earnings Per Share. Basic earnings per equity share have been computed by dividing net profit after tax by the weighted average number of equity shares outstanding for the year. Diluted earnings per equity share have been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year.

(r) Impairment of non-financial assets :

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such condition exists, the Company estimates the recoverable amount of the assets. If the recoverable amount of such assets or recoverable amount of cash generating units to which the assets belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at lower of historical cost or recoverable amount.

(s) Leases :**As a lessee**

The Company's leases primarily consist of leases of land and office premises. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At the date of commencement of the lease, the Company recognizes a ROU and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and/or low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Currently,

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....

ROU assets are being amortised over a period based on lease term being lower of lease term and estimated useful life of underlying assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing activities in statement of cash flows.

As a lessor

Lease income from operating leases where the Company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

(t) Cash and cash equivalents :

For the purpose of presentation in the statement of cash flows, Cash and cash equivalents are cash, balances with bank and short-term (three months or less from the date of placement), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(u) Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(v) Non-current assets held for sale :

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement. Non-current assets are not depreciated or amortised while they are classified as held for sale.

(w) Employee Benefits :

Short-term Obligations :

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, performance incentives, etc., are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service.

Other long-term employee benefit obligations

Long-term compensated absence of permanent employees is provided for on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss. Compensated absence of badli workers is provided on accrual basis.

Defined Contribution Plans:

Employee benefits in the form of Provident Fund and Superannuation are considered as defined contribution plan and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due.

Defined Benefit Plan

Retirements benefits in the form of Gratuity for eligible permanent employees is considered as defined benefit obligations and are provided on the basis of actuarial valuation, using the projected unit credit method. Gratuity of badli workers is determined on accrual basis based on the proportionate time of services rendered. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income.

(x) Business combinations - common control transactions

Business combinations involving entities that are under common control are accounted for using the 'pooling of interest' method as follows:

- The assets and liabilities of The combining entities are reflected in their carrying amounts.
- No adjustments are made to reflect fair values, or recognise any new assets or liabilities. Adjustments are only made to harmonise accounting policies.
- The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.
- The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee or is adjusted against general reserve.
- The identity of the reserves are preserved and the reserves of the transferor become the reserves of the transferee.
- The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to the capital reserve (amalgamation adjustment account) and is presented separately from other capital reserves.

(y) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

were converted into an unsecured perpetual loan ('the Perpetual Loan') with effect from April 01, 2022. The said Perpetual Loan has no maturity or defined tenure and repayment of any amount in part or in full is at sole discretion of the Company. Interest accrual on the Perpetual Loan is non-cumulative and is payable at sole discretion of the Company up to 8.00% per annum for any particular or preceding financial year/s. The said Perpetual Loan shall be subordinate to all existing amount borrowed or debt securities issued by the Company to any other person (other than the Lender itself) and shall be ranked only senior to the equity share capital of the Company. Based on the above terms, the Company does not have any obligation or repayment or distribution (of interest) under the said agreement and repayment or distribution (of interest), if any, is at the sole discretion of the Company. Accordingly, the said Perpetual Loan has been classified as instruments entirely equity in nature. The Company has, subsequently, received ₹ 700.00 lakhs on same terms.

- (b) During the previous year, the Company entered into an agreement with Shapoorji Pallonji & Company Private Limited ('the Lender'), where unsecured Inter-Corporate-Deposits ('ICD') having principal amount aggregating to ₹ 8,457.00 lakhs as at April 01, 2022 repayable on demand with interest rate of 11.50% per annum, were converted into an unsecured perpetual loan ('the Perpetual Loan') with effect from April 01, 2022. The said Perpetual Loan has no maturity or defined tenure and repayment of any amount in part or in full is at sole discretion of the Company. Interest accrual on the Perpetual Loan is non-cumulative and is payable at sole discretion of the Company up to 11.50% per annum for any particular or preceding financial year/s. The said Perpetual Loan shall be subordinate to all existing amount borrowed or debt securities issued by the Company to any other person (other than the Lender itself) and shall be ranked only senior to the equity share capital of the Company. Based on the above terms, the Company does not have any obligation or repayment or distribution (of interest) under the said agreement and repayment or distribution (of interest), if any, is at the sole discretion of the Company. Accordingly, the said Perpetual Loan has been classified as instruments entirely equity in nature.
- (c) During the year, the Company has entered into an agreement with the Holding Company, where unsecured Inter-Corporate-Deposits ('ICD') having principal and interest accrued aggregating to ₹ 6,427.30 lakhs (which was transferred to the Company from its subsidiary company under the 'Novation' agreement) repayable on demand with interest rate of 11.50% per annum, are converted into an unsecured perpetual loan ('the Perpetual Loan') with effect from April 01, 2023. The said Perpetual Loan has no maturity or defined tenure and repayment of any amount in part or in full is at sole discretion of the Company. Interest accrual on the Perpetual Loan is non-cumulative and is payable at sole discretion of the Company up to 11.50% per annum for any particular or preceding financial year/s. The said Perpetual Loan shall be subordinate to all existing amount borrowed or debt securities issued by the Company to any other person (other than the Holding Company itself) and shall be ranked only senior to the equity share capital of the Company. Based on the above terms, the Company does not have any obligation or repayment or distribution (of interest) under the said agreement and repayment or distribution (of interest), if any, is at the sole discretion of the Company. Accordingly, the said Perpetual Loan has been re-classified as instruments entirely equity in nature.
- (d) Consideration for capital reduction under the composite scheme of arrangement is payable by way of issue of 23,58,10,000 fully paid-up 7% Perpetual Cumulative Debentures of face value ₹ 10 each. As per the terms of the said debentures, the debentures are of perpetual tenor and the coupon and redemption of the debentures is solely at the discretion of the Company. Accordingly, the same are considered to be instruments wholly equity in nature as per Ind AS 32 / Ind AS 109. (Refer Note 51)

Above disclosures have been made on the basis of certificate received from the actuary. The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The assumptions with regards to salary escalation and attrition rates are the expectations of the entity based on the salary escalation that the entity will provide in future and the expected attrition rate in the future. Historical trends of these assumptions may or may not be suitable to be extrapolated for the future projections, as it is the entity's prerogative to decide on the expected future trends and thereby the assumptions given by the entity are accepted.

The assumptions with regards to discount rate has been considered as per the requirement of the standard. Since no separate analysis of the mortality rate of the entity was undertaken, the latest mortality table available has been considered.

The results are particularly sensitive to some assumptions, such as discount rate, level of salary inflation, level of employee turnover and mortality. Such as decrease in the assumed discount rate are an increase in salary inflation will lead to increase in reported liability.

42. Interest Rate Risk

The Company is exposed to interest rate risk because it borrows funds at both fixed and floating interest rates from Parent group entities from time to time and from other lenders. However, the reset of interest rate is not frequent. During the current year significant part of inter corporate deposits were reclassified to instruments entirely equity in nature to support the Company's financial position and reduce interest burden by the Parent and group companies. All external borrowings of the Company carried fixed rate of interest during the year.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....
Exposure to interest rate risk

Company's interest rate risk arises from borrowings. Borrowings issued at fixed and variable rates. The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows."

Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

43. The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

51. Composite Scheme of Arrangement :

The Hon'ble National Company Law Tribunal ('NCLT') , in its order dated April 24, 2024 ('the Order') approved the Composite Scheme of Arrangement for reduction of share capital and re-organisation of reserves of the Company and amalgamation (by way of absorption) of Suryoday One Energy Private Limited ('SOEPL' or 'transferor company') into the Company ('the Scheme').

Pursuant to the Order, the Appointed Date of the Scheme was fixed at April 01, 2022 and the Scheme has become effective from May 24, 2024 i.e. the last date on which the certified copy of the Order was filed with the Registrar of the Companies by the both amalgamating companies.

The amalgamation has been accounted by applying the principles as set out in Appendix C of IND AS 103 Business Combinations and in accordance with the Ministry of Corporate Affairs (MCA) circular dated August 21, 2019, the Company has considered the Appointed Date (i.e. April 01, 2022) as the date of amalgamation. Accordingly, the Company has prepared its financial statements for the year ended March 31, 2024 after giving effect to the aforesaid Scheme. The figures for the previous year ended March 31, 2023 and April 01, 2022 ('Restated Period') have been restated to give effect to the Scheme with effect from the Appointed Date.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....

The figures for the Restated Period differ from the figures previously published by the Company due to the effect of above mentioned Scheme and are certified by the Management of the Company but have not been subjected to audit by the statutory auditors of the Company.

On approval of the Scheme, with effect from the Appointed Date:

- (A) the Company has accounted an aggregated gain on the extinguishment and cancellation of the equity and debt components of the preference shares and write back of borrowings (subsequently re-classified as perpetual loan - equity instruments) pertaining to the Shapoorji Pallonji & Company Private Limited (the Holding Company) directly into the opening Retained Earnings of the Company as at April 01, 2022 as follows:

Extinguishment of equity components / instruments wholly equity in nature / debt components	Amount (₹ Lakhs)
Extinguishment of equity component the preference shares	15,417.23
Write back of borrowings (subsequently classified as loan- instruments wholly equity in nature)	6,548.06
Extinguishment of debt component the preference shares	3,519.94
Aggregate gain on extinguishment and write-back	25,485.24
Less: Fair value of the consideration as at Appointed Date (instruments entirely equity in nature)	990.40
Net Gain accounted in opening retained earnings	24,494.84

The consideration, which payable by the way of issue of 23,58,10,000 fully paid-up 7% Perpetual Cumulative Debentures of face value ₹ 10 each. As per the terms of the said debentures, the debentures are of perpetual tenor and the coupon and redemption of the debentures is solely at the discretion of the Company. Accordingly, the same are considered to be instruments wholly equity in nature as per Ind AS 32 / Ind AS 109.

- (B) the Company has accounted for amalgamation of SOEPL as per pooling of interest method prescribed in the 'Appendix C of Ind AS 103 - Business combinations of entities under common control' by combining the assets, liabilities and reserves of the SOEPL at their carrying amounts with only such adjustments which are required to harmonise the accounting policies. The consideration for amalgamation is payable to the shareholders of SOEPL in the form of 4,25,60,000 fully paid-up 11% Redeemable Non-convertible Cumulative Preference Shares of face value ₹ 10 each in proportion of their holdings in SOEPL on Record Date (i.e. May 22, 2024) as approved by the Board of Directors. The difference between the consideration issuable and the equity share capital of SOEPL (a debit balance) has been transferred to capital reserve on common control amalgamation as follows:

Particulars of balances of SOEPL as at Appointed Date	Amounts (₹ Lakhs)
Aggregate carrying amount of assets of SOEPL taken over	26,946.80
Aggregate carrying amount of liabilities of SOEPL taken over	27,078.39
Retained earnings of SOEPL taken over (Debit balance)	(3,631.59)

INDEPENDENT AUDITORS' REPORT

To the Members of Gokak Textiles Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Gokak Textiles Limited** ("the Holding Company") and its subsidiary (the Holding Company and its subsidiary collectively referred to as "the Group"), which comprise the consolidated balance sheet as at March 31, 2024, the consolidated statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2024, of the loss (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to Note 54 of the consolidated financial statements which describes the Composite Scheme of Arrangement ('the Scheme') for reduction of share capital and re-organisation of reserves of the Holding Company and amalgamation by absorption of Suryoday One Energy Private Limited with the Holding Company, which has been approved by National Company Law Tribunal – Bengaluru Bench on April 24, 2024 with Appointed Date of April 01, 2022. The said Scheme became effective from May 24, 2024. Accordingly, the consolidated financial statements have been prepared after taking into consideration the effect of the provisions of the Scheme with effect from the Appointed Date and consequently, the corresponding figures have also been restated. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

a) Accounting for the Composite Scheme of Arrangement

Description of Key Audit Matter:

The Hon'ble National Company Law Tribunal ('NCLT'), in its order dated April 24, 2024 ('the Order') approved the Composite Scheme of Arrangement for reduction of share capital and re-organisation of reserves of the Holding Company and amalgamation (by way of absorption) of Suryoday One Energy Private Limited ('SOEPL' or 'transferor company') into the Holding Company ('the Scheme').

Pursuant to the Order, the Appointed Date of the Scheme was fixed at April 01, 2022 and the Scheme has become effective from May 24, 2024 i.e. the last date on which the certified copy of the Order was filed with the Registrar of the Companies by the both amalgamating companies.

The amalgamation has been accounted by applying the principles as set out in Appendix C of IND AS 103 "Business Combinations" and in accordance with the Ministry of Corporate Affairs (MCA) circular dated August 21, 2019, the Company has considered the Appointed Date (i.e. April 01, 2022) as the date of amalgamation. Accordingly, the Group has prepared its consolidated financial statements for the year ended March 31, 2024 after giving effect to the aforesaid Scheme.

Refer Note 54 of the consolidated financial statements for detailed accounting treatment and related disclosures.

How the matter was addressed in our audit:

- We pursued the approved Scheme for appropriateness of the determination of the effective date, appointed date and accounting treatment as prescribed in the Scheme.
- We understood the process and controls and their effectiveness for accounting of the Scheme in respect of the capital reduction and amalgamation.
- We traced the balances used for the capital reduction and amalgamation from the respective books of accounts of the companies.
- We reviewed the treatment for alignment in respect of difference in accounting policies for certain items of financial statements and elimination of inter-company balances of the amalgamating companies.
- We assessed the adequacy and appropriateness of the disclosures relating the capital reduction and amalgamation made in the consolidated financial statements.

b) Going Concern Assessment

Description of Key Audit Matter:

During the year, the Group incurred losses of Rs. 1,943.41 lakhs for the year ended March 31, 2024 and has accumulated losses of Rs. 23,692.90 lakhs as on March 31, 2024. Further, the Group's current liabilities exceeded its current assets by Rs. 5,365.19 lakhs as at March 31, 2024. These conditions indicate requirement of assessment of the Group's ability to continue as a going concern.

The Group's consolidated financial statements have been prepared on a going concern basis on the reporting date, based on the reasons stated in Note 53 of the consolidated financial statements.

How the matter was addressed in our audit:

- We evaluated the appropriateness of management's use of going concern basis of accounting in the preparation of Consolidated financial statements in accordance with Standard on Auditing issued by ICAI in this regard.
- We evaluated the management's plans for future actions in relation to its going concern assessment, to assess whether the outcome of those plans is likely to improve the situation and whether management's plans are feasible in the circumstances.
- We considered the expected effect of the capital reduction and amalgamation of the solar power business into the Group.
- We assessed the possible mitigating actions identified by management in the event that actual cash flows are below forecast.
- We discussed and obtained a written letter from the ultimate holding company indicating its intention and ability to support the Group's financial and operating requirements through infusion of additional capital as and when necessary.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Board of Director's for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the Consolidated state of affairs, Consolidated profit / loss and other comprehensive income, consolidated changes in equity and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. The respective Management and Board of Director of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated financial statements by the Management and Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the Companies are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entity within the Group to express an

opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of the entity included in the consolidated financial statements of which we are the independent auditors.

We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Annexure - A to the Auditors' Report**Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")****Opinion**

In conjunction with our audit of the consolidated financial statements of Gokak Textiles Limited ("the Holding Company") as of and for the year ended March 31, 2024, we have audited the internal financial controls with reference to the consolidated financial statements of the Holding Company and its subsidiary as of that date.

In our opinion, and to the best of our information and according to the explanations given to us the Holding Company and the said subsidiary have, in all material respects, an adequate internal financial controls with reference to the consolidated financial statements and such internal financial controls were operating effectively as at March 31, 2024 based on the internal controls with reference to consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI').

Management's Responsibility for Internal Financial Controls

The respective Company's management and the Board of Directors are responsible for establishing and maintaining Internal Financial Controls based on the Internal Controls with reference to consolidated financial statements established by the respective company considering the essential components of Internal Control stated in the Guidance Note issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Internal Financial Controls with reference to consolidated financial statements of the Holding Company and its subsidiary based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an Audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain Reasonable Assurance about whether adequate Internal Financial Controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls with reference to consolidated financial statements and their operating effectiveness. Our audit of Internal Financial Controls with reference to consolidated financial statements included obtaining an understanding of Internal Financial Controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Internal Financial Controls with reference to the consolidated financial statements of the Holding Company and its subsidiary.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

1 Group Information

Gokak Textiles Limited (the Parent Company) and its subsidiary (together referred to as 'the Group') are engaged in the business of textile, manufacturing cotton yarn, blended yarn, industrial fabrics, terry towels, t-shirts, polos, undergarments, sweaters, etc. and generation of solar power and hydro power. The Parent Company is a public limited company incorporated and domiciled in India and has its registered office at Bangalore, Karnataka, India-560098. The Parent Company has its primary listings on the Bombay Stock Exchange in India.

The consolidated financial statements for the year ended March 31, 2024 were approved for issue by Company's Board of Directors on May 25, 2024.

2 Basis of Consolidation

(i) Subsidiaries

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intergroup transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

(ii) Non - controlling interests (NCI)

NCI are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition.

Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

(iii) Associates

Associates are all entities over which the Group has significant influence but not control or joint control over the financial and operating policies.

Interests in associates are accounted for using the equity method. They are initially recognised at cost which includes transaction cost. Subsequent to initial recognition, the consolidated financial statements include the Group's share of profit or loss and other comprehensive income of equity accounted investees until the date on which significant influence ceases.

(iv) Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

(v) Transactions eliminated on consolidation

Intra - Group balances and transactions, and any unrealised income and expenses arising from intra - Group transactions, are eliminated. Unrealised gains arising from transactions with equity accounted investees are eliminated against the

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

investment to the extent of the Group's interest in the Investee. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

(vi) Subsidiaries and associate companies considered in the consolidated financial statements:

Name of the company	Relationship	Country of incorporation	Ownership Interest (in %)	
			March 31, 2024	March 31, 2023
Gokak Power & Energy Limited	Subsidiary	India	51%	51%

(vii) Principles of consolidation

These consolidated financial statements have been prepared by consolidation of the financial statements of the group and its subsidiaries on a line-by-line basis after fully eliminating the inter-group transactions.

a) Statement of Compliance :

The consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 [the Companies (Indian Accounting Standards) Rules, 2015 as amended thereon] and on accrual basis.

b) Basis of Preparation and presentation :

- i. The Consolidated financial statements of the group have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013, read with Companies (Indian Accounting Standards) Rules, 2015 as amended thereon and other relevant provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI).
- ii. All assets and liabilities have been classified as current or non-current as per the group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products/activities of the group and the normal time between acquisition of assets for processing and their realisation in cash and cash equivalents, the group has ascertained its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current .
- iii. The consolidated financial statements have been prepared on a historical cost basis, except for the following:
 - (a) Certain financial assets and liabilities that are measured at fair value;
 - (b) Non-current assets held for sale - measured as lower of carrying value or fair value less cost to sale;
 - (c) Defined benefit plans - plan assets measured at fair value.
- iv. All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh as per the requirement of Schedule III to the Companies Act, 2013, unless otherwise stated.

3 Material Accounting Policies**(a) Use of Estimates :**

The preparation of the consolidated financial statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the consolidated financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

Assumptions and estimations of uncertainties

Information about assumptions and estimations of uncertainties that have a significant risk of resulting in a material adjustment is included in the following notes:

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

- Note 10 - recognition of deferred tax assets
- Note 36 - measurement of defined benefit obligations: key actuarial assumptions;
- Note 3(b) - useful life of property, plant and equipment;
- Note 3(e) - Financial Instruments.

(b) Property, plant and equipment:

The group has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. October 1, 2015 as the deemed cost under Ind AS. Hence, regarded thereafter as historical cost.

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. The cost comprises purchase price (excluding refundable taxes), borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Depreciation on property, plant and equipment has been provided on straight line method as per the useful life prescribed in Schedule II to the Companies Act 2013. Cost of leasehold land is amortised over the period of lease.

Sr. No.	Particulars	Useful Life In years
1	Factory Building & Structures	3 to 60 years
2	Residential Buildings	30 to 60 years
3	Plant & Machinery	10 to 40 years
4	Furniture, fixture	10 years
5	Office Equipment	3 to 15 years
6	Motor Vehicles	8 to 10 years

Estimated useful life of Plant & Machinery pertaining to solar power division is considered to be 32 years. Depreciation on such plant & Machinery is charged at the rate of 5.28% for the first 13 years and 1.78% for remaining years (As per CERC Regulation, 2017)

(c) Intangible Assets:

Intangible assets are stated at cost less accumulated amortisation and impairment, if any. Intangible assets are amortized over the estimated useful life of respective intangible assets on a straight line basis, from the date they are available for use.

The useful lives of intangible assets are assessed as either finite or indefinite. Finite-life intangible assets are amortised on a straight-line basis over the period of their expected useful lives. Estimated useful lives by major class of finite-life intangible assets are as follows: Computer Software - 6 Years

(d) Investment property :

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16's requirements for cost model.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss in the period in which the property is derecognised.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

(e) Financial instruments :

Financial assets and financial liabilities are recognised when the group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are recognised at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets :

The group classifies its financial assets in the following categories:

- (i) those to be measured subsequently at fair value (either through other comprehensive income or through the statement of profit and loss), and
- (ii) those measured at amortised cost

The classification depends on the group's business model for managing the financial assets and the contractual terms of the cash flows.

Equity instruments: The group measures its equity instruments at fair value through profit and loss.

Impairment of financial assets: The Group measures the expected credit loss associated with its assets based on historical trends, industrial practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Financial liabilities and equity :**Classification as debt or equity**

Debt and equity instruments issued by a group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at fair value through profit or loss (FVTPL).

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Equity

An equity is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

(f) Inventories :

Inventories are valued at lower of cost and net realisable value. Cost is determined as follows:

Sr. No	Particulars	Method of determining cost
1	Stores, Spares and Loose Tools	Weighted average for Mills unit and FIFO basis for Garment Division.
2	Raw Materials:	
	(i) Cotton and Other Fibers	Specific identification for Mills unit and FIFO basis for Garment Division.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

Sr. No	Particulars	Method of determining cost
	(ii) Others	Weighted average
3	Stock-in-Process	Aggregate of material cost and production overheads and other attributable expenses up to stage of completion.
4	Finished Goods	Aggregate of material cost and production overheads.

Provision is made for the cost of obsolescence and other anticipated losses, wherever considered necessary.

(g) Borrowing Cost :

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised for the period until the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes substantial period of time to get ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(h) Revenue Recognition :

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations. The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms. Revenue is measured on the basis of contracted price, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the Government such as goods and services tax, etc. Accumulated experience is used to estimate the provision for such discounts and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur. Our customers have the contractual right to return goods only when authorised by the Group. An estimate is made of goods that will be returned and a liability is recognised for this amount using a best estimate based on accumulated experience.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

Revenue from Generation, Transmission and Distribution of power is recognised net of cash discounts, for each unit of electricity delivered at the contracted rate.

Revenue from renewable energy certificates is recognised on actual basis.

(i) Manufacturing and Operating Expenses :

Operating expenses and standing charges are charged to revenue on accrual basis.

(j) Foreign Exchange Transactions :

The functional currency of the group is the Indian rupee. These consolidated financial statements are presented in Indian rupees (rounded off to lakh).

Foreign currency transactions are recorded at the exchange rate prevailing at the date of transaction. Monetary assets and liabilities related to foreign currency transactions remaining unsettled are translated at the year-end rate and difference in translation and realised gains and losses on foreign exchange transactions are recognised in the statement of profit and loss.

(k) Provisions and Contingent Liability :

A provision is recognised when enterprise has present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligations, in respect of which a reliable estimate can be made. Provisions are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group or where any present obligation can not be measured in terms of future outflow of resources or where a reliable

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

estimate of the obligation can not be made.

(l) Grants :

Grants from the Government are recognised at their fair value where there is reasonable assurance that the grant will be received and the group will comply with all attached conditions.

(m) Accounting for Taxes on Income :

Tax expense for the year comprises of current tax and deferred tax. Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with Indian Income Tax Act.

Deferred Tax Assets and Liabilities are measured using tax rates and tax laws that have been enacted / substantively enacted as on the balance sheet date. Deferred tax assets and liabilities are determined for all temporary timing difference arising between the taxable income and accounting income. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if it probable that future taxable amounts will be available to utilise those temporary differences and losses. Deferred Tax Assets/Liabilities are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

Current and deferred tax is recognised in the statement of profit and loss, except to the extent that it related to the items recognised in other comprehensive income or directly in equity.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the group will pay normal income tax during the specified period. The group reviews the same at each Balance Sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that group will pay normal income tax during the specified period.

(n) Earnings per Share :

Basic earnings per share is calculated by dividing the net profit / (loss) attributable to the owners of the group by the weighted average number of equity shares outstanding for the year. Diluted earnings per equity share have been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year.

(o) Impairment of non-financial assets :

The group assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such condition exists, the group estimates the recoverable amount of the assets. If the recoverable amount of such assets or recoverable amount of cash generating units to which the assets belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at lower of historical cost or recoverable amount.

(p) Borrowings :

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities or equity or both as per the terms attached.

(q) Leases :**As a lessee**

The Group leases primarily consist of leases of land and office premises. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At the date of commencement of the

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

lease, the Group recognizes a ROU and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and/or low value leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Currently, ROU assets are being amortised over a period of 3-5 years based on lease term being lower of lease term and estimated useful life of underlying assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing activities in statement of cash flows.

As a lessor

Lease income from operating leases where the Group is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

(r) Cash and cash equivalents :

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, bank overdraft, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(s) Non-current assets held for sale :

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement. Non-current assets are not depreciated or amortised while they are classified as held for sale.

(t) Segment reporting :

The Operating segments have been identified in line with the Ind AS 108, taking into account the nature of product, organisation structure, economic environment and internal reporting system. The company's operating segment comprise of textiles and power.

(u) Employee Benefits :

Short-term Obligations :

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, performance incentives, etc., are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service.

Other long-term employee benefit obligations

Long-term compensated absence of permanent employees is provided for on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss. Compensated absence of badli workers is provided on accrual basis.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024**Defined Contribution Plans:**

Employee benefits in the form of Provident Fund and Superannuation are considered as defined contribution plan and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due.

Defined Benefit Plan

Retirements benefits in the form of Gratuity for eligible permanent employees is considered as defined benefit obligations and are provided on the basis of actuarial valuation, using the projected unit credit method. Gratuity of badli workers is determined on accrual basis.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income.

(v) Cash flow statement :

Cash flows are reported using indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Group are segregated.

(w) Business combinations - common control transactions

Business combinations involving entities that are under common control are accounted for using the 'pooling of interest' method as follows:

- The assets and liabilities of The combining entities are reflected in their carrying amounts.
- No adjustments are made to reflect fair values, or recognise any new assets or liabilities. Adjustments are only made to harmonise accounting policies.
- The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.
- The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee or is adjusted against general reserve.
- The identity of the reserves are preserved and the reserves of the transferor become the reserves of the transferee.
- The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to the capital reserve (amalgamation adjustment account) and is presented separately from other capital reserves.

(x) Recent accounting pronouncements

Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Group.

14.1 Trade receivables

Average credit period on sales is between 30 to 90 days. No interest is charged on trade receivables overdue. The Group has recognised an allowance for doubtful debts as per the ageing of overdue debts as standard policy. In addition to this, the Group has determined allowance for doubtful debts on specific identification.

The Group has determined expected doubtful debts based on historical trend, industry practices and the business environment in which the entity operates. Trade receivables disclosed above include amounts (see below for aged analysis) that are past due at the end of the reporting period for which the Group has not recognised an allowance for doubtful debts because the amounts are still considered recoverable to this extent.

In determining the recoverability of a trade receivable, the Company considers any change in the credit quality of the trade receivable from the date credit was initially granted up to the end of the reporting period. The concentration of credit risk is limited due to the fact that the customer base is large and unrelated.

Provident fund	236.76	220.50
Superannuation fund	10.30	12.42
Total contribution	247.06	232.93

Defined Benefit Plan:

The Group gratuity scheme is a defined benefit scheme. The Group maintains its plan assets with LIC of India. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation for leave encashment is recognised in the same manner.

Above disclosures have been made on the basis of certificate received from the actuary. The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Management has made provision for gratuity payable to badli workers on the basis of actual valuation as in opinion of the management, the future expected service of badli workers could not be estimated. Provision for gratuity payable to badli workers on the basis of actual valuation as at March 31, 2024 is Rs. 371.15 lakhs (March 31, 2023 is Rs. 424.10 lakhs).

The assumptions with regards to salary escalation and attrition rates are the expectations of the entity based on the salary escalation that the entity will provide in future and the expected attrition rate in the future. Historical trends of these assumptions may or may not be suitable to be extrapolated for the future projections, as it is the entity's prerogative to decide on the expected future trends and thereby the assumptions given by the entity are accepted.

The assumptions with regards to discount rate has been considered as per the requirement of the standard. Since no separate analysis of the mortality rate of the entity was undertaken, the latest mortality table available has been considered.

The results are particularly sensitive to some assumptions, such as discount rate, level of salary inflation, level of employee turnover and mortality. Such as decrease in the assumed discount rate are an increase in salary inflation will lead to increase in reported liability.

Fair Value Hierarchy and Method of Valuation

Except as detailed in the following table, the Group considers that the carrying amounts of financial instruments recognised in the financial statements approximate their fair values.

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the asset or liabilities that are not based on observable market data (unobservable inputs).

40. Capital Management

The Group aims to optimise returns to shareholders and safeguard its ability to continue as a going concern and manage its capital effectively. The capital structure of the Group is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs and long-term operating plans. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics. The capital structure of the Group consists of net debt and total equity and financial liability in respect of preference share capital of the Group.

The capital components of the Group are as given below:	As at March 31, 2024	As at March 31, 2023

41 Financial risk management objectives

The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's financial assets include loans, trade receivables, cash and cash equivalents that comes directly from its operations and financial liabilities comprises of borrowings, trade and other payables, and financial guarantee contracts. It has an integrated financial risk management system which proactively identifies monitors and takes precautionary and mitigation measures in respect of various identified risks.

The Group is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks, which evaluates and exercises independent control over the entire process of financial risks.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

42 Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables, loans and borrowings.

The finance department undertakes management of cash resources, borrowing mechanism and ensuring compliance with market risk limits.

43 Currency risk

The Group's exposure to foreign currency risk is insignificant.

44 Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and bank balance and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. The Group's finance department is responsible for liquidity, funding as well as settlement management. The processes related to such risks are overseen by senior management through rolling forecasts on the basis of expected cash flows. Due to decline in operations and heavy fixed costs, the Group is facing liquidity issues since past few years. The Group is dependent upon the group entities for financial support.

The following tables detail the Group's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay. The tables shows Principal cash flows.

45 Interest Rate Risk:-

The Group is exposed to interest rate risk because it borrows funds at both fixed and floating interest rates from Parent group entities from time to time and from other lenders. However, the reset of interest rate is not frequent. During the current year significant part of inter corporate deposits were reclassified to instruments entirely equity in nature to support the Group's financial position and reduce interest burden by the Parent and group companies. All external borrowings of the Group carried fixed rate of interest during the year.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

Exposure to interest rate risk

Group's interest rate risk arises from borrowings. Borrowings issued at fixed and variable rates. The interest rate profile of the Group's interest-bearing financial instruments as reported to the management of the Group is as follows.

Fair value sensitivity analysis for fixed-rate instruments

The Group does not account for any fixed rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

- 46 The following table details the Group's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Group's liquidity risk management as the liquidity is managed on a net asset and liability basis.

53. The textile division of the Group has been facing slowdown in business and financial difficulties in managing its working capital requirements. The continuity of the operations of the Group's textile segment is dependent upon the continued operational and financial support of Shapoorji Pallonji & Company Private Limited ('the Ultimate Holding Company'). The Management believes that the financial situation of its textile division will improve in the coming period. Further, the Scheme of merger of Suryoday One Energy Pvt. Ltd. (SOEPL) (engaged in the business of solar power generation) and restructuring of the reserves of the Group (as detailed in Note 54 of the financial statements) has been approved and effected as at March 31, 2024 which is expected to improve Group's financial position in the future. Accordingly and based on the support from the Ultimate Holding Company, the financial statements of the Group as a whole have been prepared on a going concern basis.

54. Composite Scheme of Arrangement :

The Hon'ble National Company Law Tribunal ('NCLT'), in its order dated April 24, 2024 ('the Order') approved the Composite Scheme of Arrangement for reduction of share capital and re-organisation of reserves of the Parent company (Gokak Textiles Ltd ("Gokak" or the Transferee Company")) and amalgamation (by way of absorption) of Suryoday One Energy Private Limited ('SOEPL' or 'transferor company') into Gokak ('the Scheme').

Pursuant to the Order, the Appointed Date of the Scheme was fixed at April 01, 2022 and the Scheme has become effective from May 24, 2024 i.e. the last date on which the certified copy of the Order was filed with the Registrar of the Companies by the both amalgamating companies.

The amalgamation has been accounted by applying the principles as set out in Appendix C of IND AS 103 "Business Combinations" and in accordance with the Ministry of Corporate Affairs (MCA) circular dated August 21, 2019, the c has considered the Appointed Date (i.e. April 01, 2022) as the date of amalgamation. Accordingly, the Group has prepared its financial statements for the year ended March 31, 2024 after giving effect to the aforesaid Scheme. The figures for the previous year ended March 31, 2023 and April 01, 2022 ('Restated Period') have been restated to give effect to the Scheme with effect from the Appointed Date.

The figures for the Restated Period differ from the figures previously published by the Group due to the effect of above mentioned Scheme and are certified by the Management of the Parent Company but have not been subjected to audit by the statutory auditors of the Group.

On approval of the Scheme, with effect from the Appointed Date:

(A) the Group has accounted an aggregated gain on the extinguishment and cancellation of the equity and debt components of the preference shares and write back of borrowings (subsequently re-classified as perpetual loan - equity instruments) pertaining to the Shapoorji Pallonji & Company Private Limited ("the Ultimate Holding Company") directly into the opening Retained Earnings of the Group as at April 01, 2022 as follows:

Extinguishment of equity components / instruments wholly equity in nature / debt components	Amount (Rs. Lakhs)
Extinguishment of equity component the preference shares	15,417.23
Write back of borrowings (subsequently classified as loan- instruments wholly equity in nature)	6,548.06
Extinguishment of debt component the preference shares	3,519.94
Aggregate gain on extinguishment and write-back	25,485.24
Less: Fair value of the consideration as at Appointed Date (instruments entirely equity in nature)	990.40
Net Gain accounted in opening retained earnings	24,494.84

The consideration, which payable by the way of issue of 23,58,10,000 fully paid-up 7% Perpetual Cumulative Debentures of face value Rs 10 each. As per the terms of the said debentures, the debentures are of perpetual tenor and the coupon

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

and redemption of the debentures is solely at the discretion of the Group. Accordingly, the same are considered to be instruments wholly equity in nature as per Ind AS 32 / Ind AS 109.

- (B) the Group has accounted for amalgamation of SOEPL as per pooling of interest method prescribed in the 'Appendix C of Ind AS 103 - Business combinations of entities under common control' by combining the assets, liabilities and reserves of the SOEPL at their carrying amounts with only such adjustments which are required to harmonise the accounting policies. The consideration for amalgamation is payable to the shareholders of SOEPL in the form of 4,25,60,000 fully paid-up 11% Redeemable Non-convertible Cumulative Preference Shares of face value Rs 10 each in proportion of their holdings in SOEPL on Record Date (i.e. May 22, 2024) as approved by the Board of Directors. The difference between the consideration issuable and the equity share capital of SOEPL (a debit balance) has been transferred to capital reserve on common control amalgamation as follows:

Particulars of balances of SOEPL as at Appointed Date	Amounts (Rs Lakhs)
Aggregate carrying amount of assets of SOEPL taken over	26,946.80
Aggregate carrying amount of liabilities of SOEPL taken over	27,078.39
Retained earnings of SOEPL taken over (Debit balance)	(3,631.59)

Particulars	Amounts (Rs Lakhs)
Equity share capital of SOEPL cancelled	3,500.00
Purchase Consideration to be issued as per scheme	(4,256.00)
Capital Reserve (debit balance) on common control amalgamation	(756.00)

Disclosures as per 'Appendix C of the Ind AS 103 - Business combinations of entities under common control' are as hereunder:

- (a) Names and general nature of business of the combining entities:
- Suryoday One Energy Private Limited ('Transferor') is engaged in the business of Solar Power generation
 - Gokak Textiles Limited ('Transferee') is engaged in the business of Textiles
- (b) Date on which the transferor obtains control of the transferee:
- With effect from April 01, 2022 (i.e. the Appointed Date as per the Scheme)"
- (c) Description and number of shares issued to effect the business combination:
- 4,25,60,000 fully paid-up 11% Redeemable Non-convertible Cumulative Preference Shares of face value Rs 10 each in the ratio of 1,210 shares for each 1,000 equity shares of the transferor."
- (d) Difference between the consideration and the value of net identifiable assets acquired, and the treatment thereof:
- The difference of Rs. 756 Lakhs, being the excess of the consideration payable over the nominal amount of equity share capital of the transferor, has been accounted as capital reserve (debit balance) arising from amalgamation of common control entities.

INDEPENDENT AUDITORS' REPORT

To the Members of Gokak Power & Energy Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying financial statements of **Gokak Power & Energy Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless

management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, there is no remuneration paid/provided by the Company to its directors during the year under the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on audit procedures performed, nothing has come to our attention that causes us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided in (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure - B to the Auditors' Report

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of the Company of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the Internal Financial Controls with reference to the financial statements of Gokak Power & Energy Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as at March 31 2024, based on the criteria for internal control with reference to the financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining Internal Financial Controls based on the criteria for Internal Control with reference to the financial statements established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an Audit of Internal Financial Controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain Reasonable Assurance about whether adequate Internal Financial Controls with reference to the financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system with reference to the financial statements and their operating effectiveness. Our audit of Internal Financial Controls with reference to the financial statements included obtaining an understanding of Internal Financial Controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls with reference to the financial statements

A company's Internal Financial Control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of Financial Reporting and the preparation of the financial statements for external purposes in accordance with generally accepted Accounting Principles. A company's Internal Financial Control with reference to the financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations

of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the financial statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....

1 Corporate Information

Gokak Power & Energy Limited ('the Company') is public company incorporated on January 17, 2012 under the provisions of erstwhile Companies Act, 1956. The Company is in the business of generation of hydro power. The Company has 10.80 MW of Hydro power plant. Its registered office at #1, 2nd Floor, 12th Cross Ideal Homes, Near Jayanna Circle ,Rajarajeshwari Nagar, Bangalore KA 560098 .

2 Basis of preparation

(a) Statement of Compliance

The financial statement have been prepared in accordance with Indian Accounting standards (IND AS) notified under section 133 of the Companies Act 2013, the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

Details of the Company's accounting policies are included in Note 2.1

(b) Functional and presentation currency

These financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been rounded-off to two decimal places to the nearest lakhs, unless otherwise indicated.

(c) Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations

(d) Use of Estimates :

In preparing these standalone financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively

Assumptions and estimations of uncertainties

Information about assumptions and estimations of uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2024 is included in the following notes:

Note 2.1(g) - recognition of deferred tax assets

Note 25 - measurement of defined benefit obligations: key actuarial assumptions;

Note 2.1(b) - useful life of property, plant and equipment

(e) Measurement of fair values

Certain accounting policies and disclosures of the Company require the measurement of fair values, for both financial and non financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values. The valuation team regularly reviews significant unobservable inputs and valuation adjustments. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into a different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

2.1 Significant accounting policies**(a) Property, plant and equipment:**

Items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price and any other directly attributable costs of bringing the assets to its working condition for its intended use. Adjustments arising from the exchange rates variances relating to liabilities attributable to fixed assets are expensed out.

(b) Depreciation /Amortisation:

Depreciation is provided on a pro-rata basis on the straight line method at the rates prescribed under Schedule II to the Companies Act, 2013.

Sr. No.	Particulars	Useful Life In years
1	Building and Structures	30
2	Plant and Machinery	40
3	Furniture and Fixture	10
4	Office Equipments	5

(c) Borrowing cost :

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised for the period until the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes substantial period of time to get ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(d) Financial instruments**i. Recognition and initial measurement**

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

ii. Classification and subsequent measurement**Financial assets****Financial assets carried at amortised cost:**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....

Financial assets at fair value through other comprehensive income:

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss:

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Financial liabilities and equity

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at fair value through profit or loss (FVTPL).

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Equity

An equity is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

iii. De-recognition

Financial assets

The Company de-recognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial assets.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not de-recognised.

Financial liabilities

The Company de-recognises a financial liability when its contractual obligations are discharged or cancelled or expire.

The Company also de-recognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the statement of profit and loss.

iv. Off setting

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....

Financial assets and financial liabilities are off set and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

(e) Revenue recognition :

Revenue from Generation, Transmission and Distribution of power is recognised net of cash discounts, for each unit of electricity delivered at the contracted rate.

Revenue from renewable energy certificates is recognised on accrual basis.

(f) Provisions and Contingent Liability

A provision is recognised when enterprise has present obligation as a result of past event; it is probable that an outflow of resources will be required to the obligations, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Reimbursement against a provision is recognised as a separate asset based on virtual certainty. Contingent Assets are not recognised.

(g) Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

ii. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of transaction.
- temporary differences related to investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

The Company off sets, the current tax assets and liabilities (on year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....

(h) Earnings per Share

The Company reports basic and diluted earnings per equity share in accordance with Ind AS 33, on Earnings Per Share. Basic earnings per equity share have been computed by dividing net profit after tax by the weighted average number of equity shares outstanding for the year. Diluted earnings per equity share have been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year.

(i) Impairment

(i) Financial assets

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in profit or loss.

(ii) Non-financial assets

For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognised in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortisation or depreciation) had no impairment loss been recognised for the asset in prior years.

(j) Inventories :

Inventories are valued at lower of cost and net realisable value. Stores, Spares and loose Tools cost is determined on weighted average method.

(k) Employee Benefits :

Short - term obligations

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, performance incentives, etc., are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service.

Other long term Employee benefit obligation

Long-term compensated absence of permanent employees is provided for on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss. Compensated absences of badli workers are provided on accrual basis.

Defined Contribution Plans:

Employee benefits in the form of Provident Fund and Superannuation are considered as defined contribution plan and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 Cont....**Defined Benefit Plan**

Retirement benefits in the form of Gratuity for eligible employees is considered as defined benefit obligations and are provided on the basis of actuarial valuation, using the projected unit credit method. Gratuity of badli workers is determined on accrual basis based on the proportionate time of services rendered. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income.

(l) Cash and Cash equivalents :

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, bank balance, deposits held at call with financial institutions.

(m) Cash flow statement

Cash flows are reported using indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Company are segregated.

(n) Recent accounting pronouncements

Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

- (a) During the previous year, the Company entered into a revised agreement with Evangelous Ventures Private Limited ('the Lender'), where unsecured Inter-Corporate-Deposits ('ICD') having principal amount aggregating to ₹ 180.00 lakhs as at March 31, 2022 repayable on demand with interest rate of 8.00% per annum, were converted into an unsecured perpetual loan ('the Perpetual Loan') with effect from April 01, 2022. The said Perpetual Loan had no maturity or defined tenure and repayment of any amount in part or in full is at sole discretion of the Company. Interest accrual on the Perpetual Loan is non-cumulative and is payable at sole discretion of the Company up to 8.00% per annum for any particular or preceding financial year/s. The said Perpetual Loan ranked subordinate to all existing amount borrowed or debt securities issued by the Company to any other person (other than the Lender itself) and shall be ranked only senior to the equity share capital of the Company. Based on the above terms, the Company did not have any obligation or repayment or distribution (of interest) under the said agreement and repayment or distribution (of interest), if any, is at the sole discretion of the Company. Accordingly, the said Perpetual Loan was classified as instruments entirely equity in nature. Subsequently, the Company also repaid ₹ 183.83 lakhs including interest accrued thereon.
- (b) On October 25, 2022, the Company had received perpetual loan from Evangelos Ventures Private Limited. As per the agreed terms and conditions, the said loan has no maturity or defined tenure and repayment of any amount in part or in full is at sole discretion of the Company. Interest accrual on the Perpetual Loan is non-cumulative and is payable at sole discretion of the Company up to 8.00% per annum for any particular or preceding financial year/s. The said Perpetual Loan shall be subordinate to all other debts and shall be ranked only senior to the equity share capital of the Company. Based on the above terms, the Company does not have any obligation or repayment or distribution (of interest) under the said agreement and repayment or distribution (of interest), if any, is at the sole discretion of the Company. Accordingly, the said Perpetual Loan has been classified as instruments entirely equity in nature.

Sensitivity for significant actuarial assumption is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation by one percentage, keeping all other actuarial assumptions constant.

Above disclosures have been made on the basis of certificate received from actuary.

The assumptions with regards to salary escalation and attrition rates are the expectations of the entity based on the salary escalation that the entity will provide in future and the expected attrition rate in the future. Historical trends of these assumptions may or may not be suitable to be extrapolated for the future projections, as it is the entity's prerogative to decide on the expected future trends and thereby the assumptions given by the entity are accepted.

The assumptions with regards to discount rate has been considered as per the requirement of the standard. Since no separate analysis of the mortality rate of the entity was undertaken, we have considered the latest mortality table available.

The results are particularly sensitive to some assumptions, such as discount rate, level of salary inflation, level of employee turnover and mortality. Such as decrease in the assumed discount rate are an increase in salary inflation will lead to increase in reported liability.
